

CLARIFICATION OF AGREEMENT

THIS INSTRUMENT is a clarification of that agreement between the State of Washington, Department of Fisheries, City of Edmonds and the Port of Edmonds which was entered into on February 1, 1977, for the purpose of construction, maintenance and operation of the public fishing pier and related facilities. This clarification is to paragraph 6. (e), page 3 of said agreement which paragraph shall read as follows:

(e) have the right to make an attachment on the southerly side of the access walkway to provide additional transient docking, moorage or berthing facilities within the Boat Harbor which facilities would be under the complete control of the Port. Such attachment shall not interfere with the main purpose of the pier, which is to provide public recreational fishing. In the event such additional facilities are installed the Port will pay a proportionate amount of the maintenance and operation costs to the City of the pier walkway depending upon the use of the walkway, which share shall be agreed upon by the Port and City prior to such additional facility being constructed.

All other provisions not referred to in this clarification shall remain the same.
