2022 PARKING PERMITS

With the end of the year approaching, it's time to secure your 2022 parking permits. Starting December 13th, permits will be available for pick up at the Marina Operations service window. Tenants are allotted two parking permits per slip, and you can purchase a third for \$50.00 + tax. To receive your passes, please remember that the Port must have the following documents on file:

1) Current insurance, including \$500,000 worth of coverage for both watercraft liability and pollution or fuel spill liability. If pollution or fuel spill liability is not explicitly outlined on your declarations page, you must provide supplemental proof of coverage.

2) Current WA State registration or Coast Guard Documentation

If you have any questions regarding registration or insurance requirements, don't hesitate to contact our Marina Operations Office- we are happy to assist!
