

SEATTLE BOAT SHOW CONNECTED

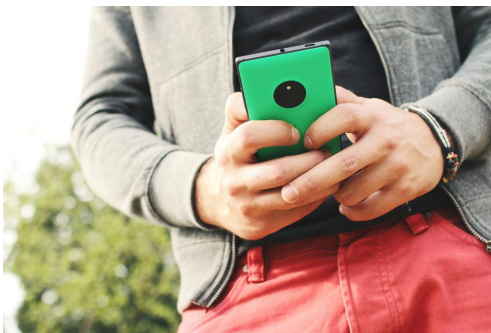

The famous Seattle International Boat Show has shifted to an online experience this year called Seattle Boat Show Connected. Despite the change, this annual event will still provide boating enthusiasts plenty of opportunities for learning, shopping, and playing!

Seattle Boat Show Connected will offer many educational and interesting seminars. Topics include boat maintenance, docking, sailing techniques, twin engine boat handling, San Juan Island cruising, and much more. Attendees will also receive access to a virtual showroom floor and many online exhibitors. Other activities include Boater's Kitchen, as well as a virtual treasure hunt and photo booth.

This event takes place from January 28 -31, 2021. Tickets start at just \$5. To learn more and to register, visit seattleboatshow.com.
