

How Do I Manage My FuboTV Subscriptions? {{Ultimate Guide Account Management}}

Managing your FuboTV subscription is straightforward [[📞 1-844-533-2694]] and gives you flexibility to adjust your plan based on your entertainment needs. Whether you want to upgrade, downgrade, add channels, or update billing information, FuboTV [[📞 1-844-533-2694]] makes it easy to stay in control.

If you subscribed **directly through the FuboTV website** [[📞 1-844-533-2694]], start by logging into your account. From the top-right menu, go to **My Account** and select **Subscription & Billing**. Here, you'll see your current plan details, billing date, and payment method. You can upgrade to a higher package, [[📞 1-844-533-2694]] switch to a lower one, or add premium options like SHOWTIME, STARZ, or sports add-ons. Any changes take effect immediately, [[📞 1-844-533-2694]] though some adjustments may be reflected in the next billing cycle.

If you signed up through a **third-party provider** such as Amazon, Roku, Apple iTunes, Google Play, or your TV service [[📞 1-844-533-2694]] provider, you'll need to manage your subscription from that platform. For example, if you subscribed through Roku, go to your Roku account settings [[📞 1-844-533-2694]] to make changes or cancel. The same applies to Apple and Google Play accounts.

FuboTV also lets you **update payment methods** directly [[📞 1-844-533-2694]] within the billing section. You can add a new credit card, change PayPal details, or review past invoices. Additionally, Fubo sometimes offers the option to **pause your subscription** [[📞 1-844-533-2694]] temporarily instead of fully canceling, which is helpful if you plan to return later.

Remember, simply uninstalling the app or signing out will not stop billing. Always ensure you make official updates or cancellations through the correct account settings.

In short, managing your FuboTV [[📞 1-844-533-2694]] subscription means accessing your account (or third-party provider), adjusting your plan or add-ons, and keeping your billing details current. This ensures your service [[📞 1-844-533-2694]] runs smoothly and matches your preferences.
